CHANGE FOR INNOVATION, ACHIEVEMENT, ENTERTAINMENT AND ENGAGEMENT

**You have planted and grown a “Tree” (RC Thamel)
– I know you love RC Thamel more than me**

**I will pour water and put seeds into the “Tree”
But I assure you that RC Thamel also loves me**

CHANGE FOR INNOVATION, ACHIEVEMENT, ENTERTAINMENT AND ENGAGEMENT

I am not going to catch a 'Star'

I cannot do great things, but I will try my best to do small things in a great way

CHANGE FOR INNOVATION, ACHIEVEMENT, ENTERTAINMENT AND ENGAGEMENT

Let us love, unite, trust, respect and contribute together to grow a strong and dynamic 'RC Thamel'

CHANGE FOR INNOVATION, ACHIEVEMENT, ENTERTAINMENT AND ENGAGEMENT

- Will adopt the principle of “old is gold” – continue the previous best practices of the Club such as sharing Rotary’s interesting facts, encouraging members to be innovative and creative through poems, sharing of experiences etc.
- Follow the principle of “small is beautiful” – avoiding big talk beyond the club capacity and implement small community-based service projects that yield meaningful results / outputs.
- Let us not continue projects for the sake of continuing projects – discontinue the burdensome project.
- Let us think high and work hard - to implement bigger projects through global grants.
- Let us develop partnership with potential external Rotary Clubs - to implement moderate projects.
- Let us focus more on - members’ readiness, comforts, willingness, wisdom to generate funds- but not enforce them to fund but through inspiring them to fund.
- Avoid extravagant show up – DG visit and Chartered day celebration together, President / Board Member induction in RWM.
